In detail

The Regency era is aesthetically grand, with stunning stucco façades, column entrances, Crittall windows and equally impressive rear gardens.

Iron gates open onto the gravelled front drive, leading to a characterful entrance which immediately feels welcoming and homely. The apartment occupies the second floor and really benefits from the abundance of natural light and far-reaching views available on this level. A south facing living room of 16'1ft is positioned to the front of the building with wonderful high ceilings and an original ceramic fireplace, plenty of space to lounge and dine, two double bedrooms, a fitted kitchen and a refreshed bathroom. Being enveloped by lush greenery ensures that each room benefits from surrounding leafy views.

To the rear is a beautifully established communal garden, rich with mature trees, shrubs and a well tended lawn.

This location provides easy access to both Penge East (London Victoria) and West (Overground) rail links as well as a wide selection of eateries, coffee shops and convenience stores. Moments away is Crystal Palace Park offering 200 acres of open space, numerous leisure activities and music events. There is also a Brown & Green café and a weekly Sunday Farmers Market.
