In Detail

A superb, three bed, ground floor maisonette with a gorgeous 41'5 ft private garden, set in a highly sought-after residential road in Penge.

This maisonette is a brilliant example of 1950's architecture and enjoys all of the wonderful benefits you would expect in a build of this era including good lateral space, a private entrance and a generous private garden. Clean lines and contemporary finishes blend well with charming and characterful features, making this a great option for someone looking for a warm and inviting space to immediately enjoy.

The owners have reconfigured and remodelled the space to create a more sociable living space as well as an additional bedroom, making this a fantastic long-term option. Comprising a through reception room which includes a lounge, a stylish and contemporary fully integrated kitchen and a dining area which could easily host a party of six, with almost wall to wall sliding doors inviting lots of natural light. With three double bedrooms, each with fitted wardrobes, the space is generous, flexible, and works well for both first time buyers and growing families .

Now we are in Summer, the garden is an essential extension of the home. Creating a seamless connection between the indoors and outdoors, this garden offers a peaceful sanctuary to escape the hustle and bustle of daily life.

Tennyson Road is one of the many charming and highly desirable roads in Penge. Sought after for their easy access to transport links including Penge East (London/Victoria), Penge West and Sydenham Overground, as well as green open spaces such as the Alexandra Recreation grounds and Crystal Palace Park.
