My Cottage Moreton Road

Stow-on-the-Wold, GL54 1EG

An attractive, 2 bedroom Cotswold stone cottage with period features and a lovely private garden.

Description

My Cottage is a period Cotswold cottage constructed of natural Cotswold stone under a tiled roof. It has a pretty front elevation with a gable porch with casement windows flanked to either side.

A single storey extension has been added to the rear to form the kitchen and is constructed of natural Cotswold stone under a pitched tiled roof. A gabled dormer window has been added to the main roof line to the rear and provides a large airy window to the bathroom.

My Cottage retains much of its original period character with a fireplace fitted with a wood burning stove, flagstone floor and part exposed stone walls and lintels in the sitting room. On the first floor, the two bedrooms have exposed timber floors, part exposed stone walls and lintels. The kitchen and bathroom are more contemporary and the property has a generous enclosed garden to the rear providing a peaceful outside space.

My Cottage is currently a successful holiday let and provides the perfect opportunity for investors, yet would also make the perfect home.
