Steel Industry: Corby is historically known for its steel industry, with the Stewarts & Lloyds steelworks being a prominent employer in the town. The steelworks were an essential part of

Corby's economy for many years.

Post-Industrial Transformation: With the decline of the steel industry in the 1980s, Corby underwent a significant transformation. It attracted new industries and saw population growth, becoming a commuter town for people working in nearby cities.

Modern Corby: Today, Corby is a vibrant town with a diverse population. It offers a range of amenities, shopping centers, schools, and recreational facilities. It's known for its various parks, including East Carlton Park and Rockingham Forest.

Transport: Corby is well-connected by road and rail. The town has a railway station with regular services to London, making it accessible for commuters. The A43 road provides easy access to the nearby cities of Kettering and Northampton.

Education: Corby has a number of primary and secondary schools to cater to the educational needs of its residents. There is also Tresham College, which off

SELLER'S SECRET

A wonderful family home that has given many moments of pleasure, we will be sad to leave both the property and the area.

Why we like it....

A great size property in a prominent location.
Great open space to the front of the property and a quiet location only 10 mins from town.

To buy or not to buy....
