“Space In Abundance” Oscar James are delighted to offer to the market this beautifully maintained & thoroughly improved four-bedroom detached family home.

This stunning property is well-located within the sought-after Priors Hall Park, which is a well facilitated area, fantastic for families with many amenities such as schools, shops, as well as plentiful play areas, green spaces and woodland.

The property was built by David Wilson Homes in 2018, and has since been further improved to offer an incredibly well-maintained, modern, established family home which offers space in abundance with sizeable rooms throughout.

Upon entry you are greeted by the spacious entrance hall which really sets the tone for the house. Off from here on the ground floor there is the simply stunning kitchen diner, which has been tastefully finished, offers plentiful space, features a bay-window to the front and is

further complimented by the added convenience of the utility room also. There is also a spacious living room to the rear, again with bay-window, which has patio doors leading to the rear. There is also a study/office room as well as WC and further storage. To the first floor, off from the well-spaced landing there is four sizeable bedrooms, with master benefitting from ensuite. There is also the family bathroom and plentiful built-in storage & wardrobe options too.

It is truly a great family home, with all the required space and more!

Externally, the property sits on a prominent corner plot with external brick garden wall. The rear garden is fantastic, offering plenty of space and an ideal area for outdoors entertaining. There is also a fence bounded front garden too. Off road parking is provided with driveway, which leads on to the sizeable, detached single garage also.
