WHAT'S GREAT?

'Perfect first time buy' Oscar James Estate Agents are delighted to offer to the market this well presented, modernised, two bedroom property, which could be the perfect first time buy, given that it has that move-in ready feel!

This wonderful home is located within the Poppyfields Residential area, within Great Oakley/Oakley Vale, a sought after location, which is incredibly well facilitated with local schools, shops, leisure facilities, amongst many more amenities.

The property has been thoroughly modernised by the current owner, which has created a vibrant and stylish home.

Entering the property in to the entrance hall, here is access to the stairs and the living room. The living room is a light and airy space which has a sleek feel to it, and benefits from the recent addition of the media wall which has created the centre focus point to the room. There is also additional storage cupboard space here too. The kitchen/breakfast room is to the rear of the ground floor, a room that is full of natural light, gives ample storage options and doored

access out in to the rear garden.

To the first floor, off from the landing, there are two sizeable bedrooms, both of which double in size and offer a good degree of space. On this level is also the bathroom, which has been recently renovated with the addition of a good size walk-in shower, and has been finished to a great specification.

Externally, the property has a sizeable garden, which enjoys plentiful sunlight all day; there is also off road parking on offer here too.

This property is a real must-see, and is sure to impress! For further details or to arrange your viewing, get in touch with the team at Oscar James Estate Agents Corby.
