WHAT'S GREAT?

"Character Meets Contemporary" Situated in the beautiful Village of Weldon is this stunning, stone built four bedroom family home that provides a perfect blend of contemporary style in a characterful setting, whilst offering incredibly versatile living over four floors.

Upon entry you are greeted by an expansive hallway that provides entrance to two equally sized reception rooms both with feature fireplaces and the formal lounge having the added benefit of a beautiful window seat. Both of these rooms provide a high degree of versatility and can provide a variety of uses.

The lower ground floor is accessed by a statement spiral staircase and hosts a snug area, dining area, beautiful bespoke kitchen with central island and bi-fold doors opening onto the rear patio. The kitchen itself has been thoughtfully designed to include an array of integrated appliances and large pantry cupboard complimented by a solid oak worktop that is in keeping with the original beams still on display. Completing the lower ground level is a

handy storage cupboard, refitted W/C and a utility space.

The first floor hosts two generously sized double bedrooms with both benefitting from built in storage and stunning views of the local cricket club to the front aspect. Alongside this is a stunning, refitted family bathroom with a statement freestanding bath as the centrepiece.

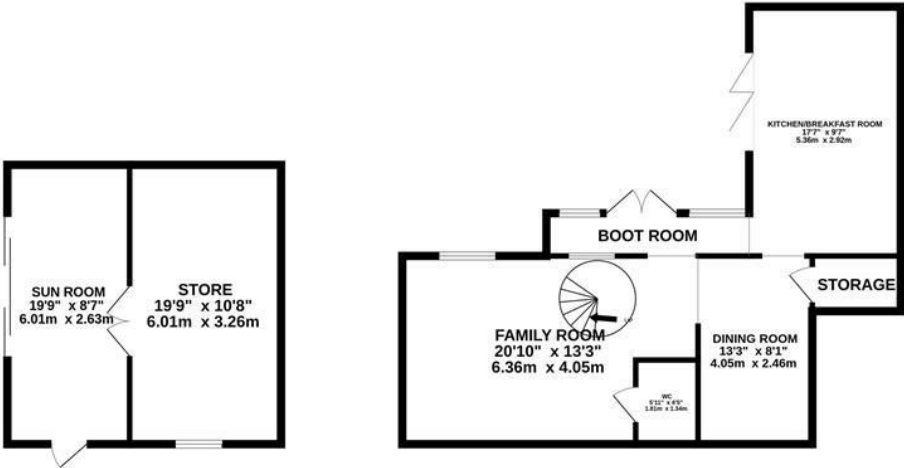

The final floor once again hosts two well proportioned double bedrooms with both rooms having deep windows enjoying unspoilt views to the local paddocks to the rear aspect. Furthermore is a high specification shower room that has been recently re-fitted.

To the rear is a tranquil garden that is sure to be the envy of all. A perfect space to entertain or wind down in the evening or weekend. A raised area with sunken hot tub with views to the paddocks, purpose built BBQ and patio entertaining area and finally the former double garage that provides the perfect annexe, home bar or office space.
