SELLER'S SECRET

The position and plot of this house is something that drew us to it, and is truly great! We've had the rear garden re-landscaped which has created a space ideal for outdoors entertaining with guests. Having the converted garage/office space is great for home-working, and is suitable for all season given the hot/cold air condition unit which was installed.

Why we like it....

WOW! This house has so much to offer and is absolutely ideal for families, given the space and size on offer. The prime plot sits pride of place in the priors hall development!

To buy or not to buy....
