Welcome to Ty Mynydd House

A statement of architectural excellence and refined living, Ty Mynydd House is a rare offering in the heart of prestigious Rhiwbina Hill. This exceptional residence blends Scandinavian-inspired architecture with contemporary design, and delivers over 3,000 square feet of luxury living.

Entrance & First Impressions

Tucked away behind a private entrance and framed by mature greenery, Ty Mynydd House instantly makes an impression. A crisp white rendered façade, striking anthracite windows and Welsh slate detailing introduce a home where design and craftsmanship are paramount.

The large driveway sweeps towards the house, offering ample parking and a warm welcome home.

Open Plan Elegance

Step into a home designed around light, flow and connection. The elevated open-plan living area is the hub of the house, wrapped in natural light and styled with polished porcelain floors and zoned underfloor heating.

The living room flows seamlessly into the dining area — with enough space to host 12 guests — making this a true entertainer's home.

Bespoke Kitchen & Entertaining

At the heart of the space is the stunning kitchen. A sleek, minimalist design of black cabinetry and white worktops frames a full suite of integrated Miele appliances including oven, microwave, plate warmer, espresso machine, and a wine chiller. The oversized island is ideal for casual dining and entertaining.

A fully fitted utility room discreetly conceals further appliances and fuseboxes for a seamless finish.

Bedrooms & Bathrooms

Spread across three floors, this six-bedroom residence offers flexible family living and the opportunity for multi-generational accommodation.

On the main level, two spacious bedrooms overlook the rear gardens — one with a private balcony, perfect for your morning coffee. A stylish house bathroom serves this floor, with designer fittings and finishes.

Master Retreat

Ascend to the top floor and discover a master suite like no other. Vaulted ceilings with exposed beams, natural light front and back, and bespoke built-in wardrobes create a sanctuary of style and space. The high-spec en suite includes a double shower and twin sinks. A private west-facing balcony completes the experience, offering peace and privacy as the sun sets.

Lower Ground Living

On the ground floor, find further accommodation ideal for guests, teens or even an au pair. This level includes three bedrooms, two with en suites, and a stylish Jack and Jill bathroom. A walk-in dressing room adds hotel-level indulgence.

The Library – Versatile & Inspiring

A standout feature of this home is the oak-lined library with garden access. Whether it becomes your dream home office, tranquil reading room or seventh bedroom, this space embodies flexibility.

Garden Sanctuary

Outside, the landscaped rear gardens offer multiple levels and zones — from a shaded patio for al fresco dining to a manicured lawn for family play. Established trees and hedging provide privacy, and a large timber shed offers additional storage.
