Location

Belper is the only market town located at the heart of the Derwent Valley Mills World Heritage Site.

Belper's economy was traditionally reliant on manufacturing industry, cotton spinning and textile production. Today the main employment sectors are retail and services, although some manufacturing remains.

The main shopping area is centred on King Street and Bridge Street, with the town having three supermarkets, namely Co-operative, Morrisons and Aldi.

In 2019 the town was the winner of the Great British High Street Award.

Gregorys Way forms part of a large, comprehensive, modern residential development situated approximately 1-1½ miles due south-east of Belper town centre.

Gregorys Way itself is a fairly long main thoroughfare through the estate. This property is situated on the western side of Gregorys Way at its junction with Loom Close. Close to the property is the Busy Bees Day Nursery. The shops in this development serve the everyday needs of the adjacent residential estate.

Property

The property consists of a modern development of 3 shops together with a convenience store probably erected some 20-25 years ago at the time of the construction of the residential development. At first floor level the property comprises 5 self-contained flats approached from the front forecourt, one of which (No 41C) has been sold off.

All of the flats are let on ASTs in accordance with the Schedule of Accommodation and Tenancies.

To the front of the property there is a large forecourt providing car parking for the retail aspect of the development.

Tenure

Leasehold for a term of 125 years from completion at a peppercorn if demanded, or by negotiation.

EPCs & ASTs

Flats 41D and 41E have an EPC rating of C, and 35A and 37A an EPC rating of D.

Copies of the EPCs and ASTs are available upon request.

Total			204	2195	£1,970	£23,640	£28,500

(This information is given for guidance purposes only)

It should be noted that Flats 41D and 41E are one-bedroom flats with kitchen, bathroom and living room whereas 35A and 37A are much larger flats as indicated from the schedule and are two-bedrooms.

It should also be noted that 41C, which forms part of this development but not part of this sale, was sold off last year for a figure of £105,000 indicating a rate per ft² of £171.13 per ft².

There is, in our opinion, the opportunity to break-up the development and sell each the flats on long leases.

Price

Offers are invited at £380,000.
