For Guidance Only

Nestled in a tranquil, leafy location at the end of a private lane, Mulberry is a beautifully designed detached bungalow that offers spacious living areas with a charming, yet characterful ambiance.

The desirable village of Puddletown provides an abundance of local amenities, including a shop, post office, the Blue Vinny pub, a parish church, village hall, preschool, with both first and middle schools. There's also a doctor's surgery with a dispensary, veterinary practice, and plenty of surrounding countryside with an abundance of footpaths and bridleways for a much needed check in with nature.

A sweeping gravel driveway passes the impressive front garden, which is enclosed by mature hedges and shrubbery. Additionally, there's ample parking for multiple vehicles, the driveway continues alongside the bungalow, leading to a large garage complete with its own lighting and power.

The bungalow includes four double bedrooms, along with a stylish family bathroom that contains a separate shower cubicle. The master bedroom is particularly spacious, with an en-suite bathroom that includes a wall-mounted shower over the bath.
