## Description

We are delighted to bring to the market this impressive five-bedroom detached home, pleasantly positioned on a private road within the sought-after village of Taverham.

Offered with the benefit of no onward chain, the property provides almost 1,600 sq ft of well-balanced and versatile accommodation, complemented by a superb, mature rear garden.

The accommodation is entered via a generous entrance hallway with useful storage cupboard and staircase rising to the first floor, with doors leading to all principal ground floor rooms. The sitting room is located to the front aspect and features a bay window, allowing the room to enjoy the morning sun. Also positioned to the front is the master bedroom, which benefits from a bay window and a range of fitted wardrobes. Further ground floor accommodation includes bedroom two and bedroom five, the latter currently utilised as a dining room and featuring French doors opening directly onto the rear garden, creating an excellent space. A ground floor shower room is fitted with a shower cubicle and hand wash basin, complemented by a separate adjacent WC. The kitchen/breakfast room provides an excellent cooking and social space, fitted with a range of wall and base units with worktops over and ample room for appliances, including a range cooker. A window to the side aspect provides natural light, while a door leads through to the garden room/utility. This additional versatile space offers further fitted storage, a water softener, space for appliances and direct access to the rear garden.

To the first floor, the landing provides access to bedrooms three and four, both of which are well-proportioned double rooms benefiting from extensive eaves storage. These are served by a shower room fitted with a three-piece white suite comprising a shower cubicle, low-level WC and hand wash basin. The property is approached via a private road and enjoys a tucked-away position at the end of a quiet cul-de-sac.

## Outside

The front garden is predominantly laid to shingle, providing generous off-road parking for multiple vehicles and leading to the double garage at the rear. A well-stocked raised planting bed creates an attractive buffer from the road, enhancing both privacy and kerb appeal. To the rear, the property boasts a truly stunning and established garden extending to approximately 150ft (stms). The garden is mainly laid to lawn with a wide variety of mature trees, flower and shrub borders, raised beds and vegetable plots, making it ideal for keen gardeners. A patio area provides ample seating and enjoys a desirable westerly aspect, perfect for evening sun.

There are also several useful outbuildings. The double garage measures approximately 20' x 17' and is fully equipped with power, lighting and a two-piece WC. Two up-and-over doors open onto the driveway, providing excellent storage and workshop potential.
