£115,000 | 1 Bed Flat

**BELVOIR!**

This is an excellent opportunity to purchase a modern studio apartment in the popular and well located area of Coton Meadows. The property would make an excellent investment and could be bought with the current (successful) tenancy ongoing - or alternatively the studio would make an ideal starter property for a first time buyer or similar. The apartment, which is light, bright and uses space well, has defined living and sleeping areas, a kitchen and a shower room. There are additional built in cupboards for storage. Externally there is allocated parking for 1 car with additional parking on-street. This is a share of freehold property and the owner advises that total annual charges are just under £700.
