# Property Description

Rawlinson & Webber welcome to market this spacious four-bedroom end of terrace family home offered with no onward chain. Recently renovated and with a total floor area of approximately 1,357 sq. ft. this property is perfect for a growing family or those looking for ample space and comfort.

Upon entering, you are greeted by an inviting entrance hall leading to the kitchen/breakfast room. The recently installed kitchen (2024) offers plenty of storage space with glossy white eye & base level units and provides ample space for a dining table. There are also double doors leading to the property's side garden, allowing an abundance of light into the room. Adjacent to the kitchen is a convenient shower room/utility area, ideal for any homebuyer with a busy home.

The heart of the home lies in the living room, a generously sized space bathed in light from the large window, French wooden doors and feature glass shelving. This leads seamlessly into the 2nd reception room, which offers additional living space and access to the rear garden via large bi-folding doors. Both reception rooms are finished with beautiful wooden flooring.

Upstairs the property boasts four well-proportioned bedrooms. The principal bedroom is an impressive 13'1" x 11'5" (4m x 3.49m). Completing the internal layout is a modern family bathroom. Externally, the property benefits from a large front garden, side plot & south-facing rear garden.

Situated in a quiet cul-de-sac in the sought-after area of East/West Molesey borders, this property benefits from its proximity to well-regarded local schools, parks, and amenities. The nearby River Thames offers beautiful riverside walks, and Hampton Court Palace is just moments away, offering both history and scenic views. Commuters will appreciate the easy access to Hampton Court Station, providing regular services to London Waterloo. West Molesey is also well connected by road to the A3 and M25, making it convenient for those travelling by car.
