RAWLINSON

Property Description

Rawlinson and Webber are delighted to present to the market this beautifully presented two-bedroom semi-detached home, with a south-facing garden, spacious garden office/studio, and private off-street parking. Ideally located close to well regarded schools and transport links to London and Kingston.

The property opens with an enclosed entrance porch leading into a spacious through-lounge, providing an immediate sense of openness. From here, you'll find a bright seating area and, to the rear, a contemporary open-plan kitchen/dining room. The kitchen features a central island with sink, ample storage, and integrated appliances, with double doors extending the living space out to the well-maintained garden. Downstairs also benefits from a box room, currently used as a utility/office, which could easily serve as a playroom, study, or guest bedroom.

Upstairs, the home comprises a spacious master bedroom with plenty of room for a king-size bed and storage, a charming second double bedroom, and a hallway nook – ideal for a study space or additional storage. A modern, stylishly designed bathroom completes the upper floor. The home has been upgraded throughout with double and triple glazing for energy efficiency, as well as wooden flooring, giving a warm and elegant finish.

Externally, the property boasts a private driveway, side access, and a well-maintained south-facing garden with patio and lawn. At the far end, an impressive garden studio provides the perfect space for remote working, hobbies, or guest accommodation, complete with power, lighting, its own shower room with WC, and additional external storage.
