Discreetly positioned in a peaceful cul-de-sac corner within this highly regarded development, 76 Wentwood Drive is an attractive, modern home built in recent years to exacting standards.

Approached via a gently sloping private driveway with parking for at least three vehicles, this striking family home offers immediate kerb appeal, with its part-rendered, part-stone façade complemented by stylish powder-grey windows. A larger-than-average single garage sits to the side, with gated access leading to the sunny, landscaped rear garden.

A welcoming entrance hallway with ceramic tiled flooring and oak doors provides a superb first impression, with the staircase rising to the first floor. Off the hallway are a useful cloakroom, utility room/home office, an under-stairs cupboard, and doors to both the sitting room and the showpiece open-plan kitchen/dining/family room.

The sitting room enjoys a glorious west-facing aspect, bathing the space in natural light. Decorated in soft, muted tones, it provides a calm retreat with ample room for comfortable furnishings.

To the rear, spanning the full width of the property, lies the exceptional 31ft kitchen/dining/family room. Designed for modern living, this is a true heart of the home—perfect for entertaining and day-to-day family life. The kitchen is fitted with a comprehensive range of contemporary units, upgraded granite worktops, and a central breakfast bar. Integrated appliances include a dishwasher, washing machine, dual eye-level ovens, and a five-ring gas hob with a sleek extractor over. Subtle mood lighting, spotlights, and wood-effect ceramic tiled flooring enhance the contemporary finish.

The dining area offers space for a family table with French doors opening directly to the garden, while the adjoining family seating area features a striking media wall with provision for a large TV, inset gas fireplace, and illuminated shelving—making this a standout feature.

Upstairs, the sense of space continues, along with far-reaching views across Bleadon village to the North Somerset coastline and Bristol Channel. The principal bedroom, set to the front, is beautifully appointed with fitted wardrobes, plush carpets, and a stylish en-suite shower room featuring stone-effect tiling, a black-framed shower enclosure, matte-black fittings, and a heated towel rail.
