Nestled within a quiet, tucked-away position in the heart of Cleeve, this three-bedroom semi-detached bungalow presents a wonderful opportunity for those seeking single-level living in a friendly and well-connected village. Offering generous parking, a private garden, and versatile accommodation throughout, this home combines comfort and practicality in equal measure.

The property is approached via a wide block-paved driveway providing ample off-road parking for several vehicles, along with access to a double garage - ideal for secure storage. The frontage has a neat, low-maintenance appeal, setting the tone for a home that has been cared for and thoughtfully arranged.

To the front are two of the property's three bedrooms – both well-proportioned, light, and adaptable. They could easily serve as comfortable bedrooms, a home office, or a hobby room depending on your needs. Continuing along the hallway, you'll find the family bathroom, fitted with a bath and shower over, WC, and wash basin.

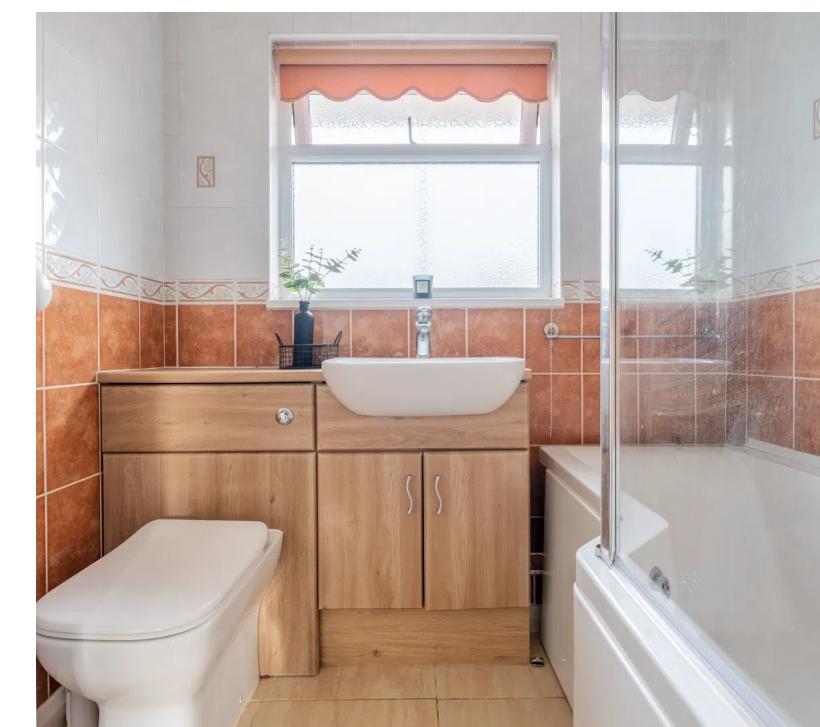

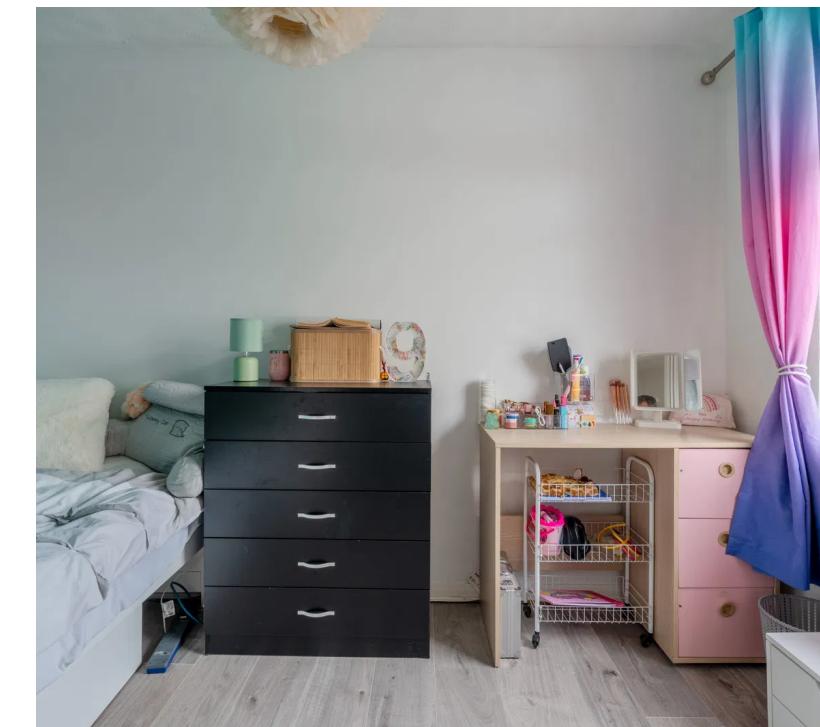

Towards the rear lies the main living accommodation. The sitting room is a lovely, light-filled space that forms the heart of the home. French doors open directly out to the garden, creating a wonderful connection between indoors and outdoors – perfect for relaxing on summer days or entertaining guests. The doors also allow natural light to flood the room, enhancing the feeling of space and calm.

Adjoining the sitting room is the modern kitchen/diner, fitted with sleek, contemporary units and an integrated oven. There's ample room for a dining table, making it a sociable and practical area that works beautifully for everyday living. A large window overlooks the garden, and there's plenty of potential to personalise or extend the kitchen space further if desired.

The third bedroom is tucked away just off the sitting room – a peaceful spot that could also serve as a guest room or study.

A particular advantage of this property is the additional double garage, located in a nearby block just a short distance from the bungalow. This provides secure parking or excellent storage space, perfect for anyone needing extra room for vehicles, hobbies, or equipment.

Outside, the private rear garden offers a pleasant and manageable outdoor retreat. It's a great size, with space for outdoor dining, planting, or simply enjoying the fresh air.
