OCCUPYING A PRETTY COTSWOLD VILLAGE SETTING WITH WOODED VIEWS. AN END OF TERRACE COTTAGE IN NEED OF RENOVATION WITH EASY PARKING AND A GREAT GARDEN.

The property

Occupying a delightful Cotswold village setting, affording elevated views across the wooded valley, lies this end of terrace home. Whilst much loved for many years and extended in more recent history, this village home would now benefit from a comprehensive programme of renovation and modernisation. Nestled in the old village of Chalford Hill, Dei Gratia offers the next owner the opportunity to create a long term home, and embrace everything that the village has to offer. The property can be accessed on foot via Silver Street, or by car on the lower lane known as Commercial Road. Gardens extend to the front, rear and side of the house, thus offering room for expansion if desired (subject to permission). The original cottage is constructed in Cotswold stone and enjoys features such as stone mullion windows, exposed beams and a period fireplace. Whilst the original front door opens to the sitting room, the extension provides the main entrance into an inner

hallway. From here a modern staircase rises to the first floor and doors open to kitchen/dining room, study and sitting room. The sitting room is a charming room, boasting mullion windows to the front garden and the original spiral staircase rising to the first floor, a study with cloakroom connect the sitting room to the hall. Two/three bedrooms sit across the first floor, along with a large shower room. A further attic room is located on the top floor accessed via a staircase located in the largest of the first floor rooms, a view of the garden and wooded valley beyond can be enjoyed from both the first and second floor. There is a flying freehold.
