A SPACIOUS MID 1970'S FOUR BEDROOMED
DETACHED HOUSE WITH SUPER VIEWS OF THE
COUNTRYSIDE BEYOND.

The property

Built in the mid 1970's by Bovis homes these properties were built at the time to a high standard and designed to offer sizable family accommodation. Some parts of the original development are now approaching fifty years old, therefore this location would ideally suit those seeking spacious living, in an established and mature setting. The property has been improved over the years with the addition of a versatile conservatory, refitted bathroom suite and landscaped garden. As you enter the property through the hallway, stairs rise to the first floor and a doorway opens into the spacious 18 ft sitting room which has a feature fireplace, panoramic windows and exposed wood flooring. Further doors open through to the kitchen/dining room and downstairs cloakroom. The kitchen benefits from having both a rear aspect and a doorway with side access out to the garden. The kitchen is both bright and airy and being open plan, lends itself to being the real heart of this home, and it

would make the perfect spot for entertaining. The kitchen is fitted with a range of contemporary wall and base level storage units. There is plumbing for both a dishwasher and washing machine, it also comes with a built in Rangemaster gas oven with extractor over, along with a built in fridge and freezer. The open plan dining room has doors which open through to the conservatory and from here you can access the rear garden. The first floor landing has doors that lead off to the family bathroom as well as to the four bedrooms. Bedroom one and two are very similar in size and both have super views and benefit from built in wardrobes. Bedroom three has a rear aspect out over the garden and bedroom four has a front aspect, this bedroom also enjoys views over the countryside. The property is warmed throughout by gas central heating and Offcom classes the broadband speed available as superfast. The Offcom mobile phone checker classes the reception as likely both indoor and outdoor.
