AN EXTENDED FOUR BEDROOM SEMI-DETACHED COTTAGE WITH WONDERFUL OPEN PLAN LIVING, A FABULOUS KITCHEN, OFF ROAD PARKING, LANDSCAPED GARDENS AND AN USEFUL GARDEN OFFICE.

The property

Nestled along a tranquil village lane, this charming semi-detached Cotswold cottage with 1538 sq ft of accommodation has been completely transformed by the current owners. Thoughtfully and imaginatively extended, the property now features a stunning open-plan ground floor living space, centred around a state-of-the-art 26ft kitchen/breakfast room. Flooded with natural light, the kitchen boasts a stylish central island and flows beautifully into a separate living room with a cosy woodburner, as well as a dining area ideal for entertaining.

Also on the ground floor is a versatile bedroom with an en-suite shower room and French doors leading out to a delightful courtyard. This room offers flexible use and could serve a variety of functions depending on your family's needs.

To the rear of the property is a practical boot room

housing the boiler, with a side door providing access to a pathway along the side of the house.

Upstairs, there are three well-proportioned bedrooms—two with far-reaching views, and one featuring French doors that open directly onto the rear garden. The family bathroom is stylish and well-appointed.

We would highly recommend an internal inspection of this magnificent family home.

Outside

The enclosed grounds are arranged over several terraced levels. The front of the house faces southeast, enjoying plenty of sunlight and a level layout. A screened parking area provides space for two large vehicles, along with an electric car charging point. There is gated access to a charming front lawned garden with complementary planting and a delightful patio area. The LPG tanks are also discreetly screened. To the side of the house, a path with steps leads up to the rear garden, which comprises three professionally terraced levels with Cotswold stone walls and wooden sleepers. These terraces feature a gravelled patio area, a level lawn, and—on the highest tier—a detached wooden garden office. This fantastic addition offers the ideal opportunity to work from home while still being separate from the hustle and bustle of family life.
