COWDELL COTTAGE, CAUDLE GREEN, CHELTENHAM, GL53 9PR

SITUATED IN A CHARMING HILLSIDE COTSWOLD HAMLET, THIS DETACHED COTSWOLD STONE COTTAGE REQUIRES RESTORATION AND OFFERS A GARDEN AND PARKING.

The property

Located in a delightful, elevated hilltop Cotswold hamlet, just off the village green, lies this detached three-bedroom cottage. Constructed of traditional Cotswold stone, this much-loved family home has been owned by the same family for many decades.

The property requires complete modernisation, including repair to the roof, but offers a wonderful opportunity for someone to create a bespoke country home in a charming setting.

The rear of the house faces a single-track country lane, while the front overlooks its beautiful cottage garden. The central front door opens into a small hallway with stairs rising to the first floor and a useful storage cupboard beneath. From here, doors lead to both the kitchen/breakfast room and the sitting room.

The sitting room is filled with natural light, enjoying three windows overlooking the garden and a further window to the rear. A stone-surround open fireplace forms the central focal point, with built-in shelving to one side. The dual-aspect kitchen/breakfast room houses the oil-fired Rayburn, which provides heating, hot water, and cooking facilities, and benefits from a walk-in cupboard. A side

door opens into a porch with an additional door to the garden (please note a temporary WC was installed here for an elderly parent's convenience).

There is also a greenhouse, a wooden shed, and a further shed adjoining the neighbour's shed (with an asbestos roof). Gravelled parking for one vehicle lies to the side of the house, with a gate leading to a path that continues to the front door. For directions: What 3 Words: encloses.burden.grownup.
