It is approached along a long private drive surrounded by specimen trees and leads to the charming Old Vicarage and a further two dwellings, making it a unique location.

It stands in a private position and was most thoughtfully designed by the local and reputable architect David Hall to a split-level arrangement, carefully ensuring that maximum advantage was taken of views towards the park and beyond.

There are pleasant gardens to the front and rear of the property including attractive specimen trees. A driveway provides car standing spaces and leads to a double garage.

Situated along Little Eaton's most premier location, Vicarage Lane is a very pleasant, leafy and tranquil setting positioned between the noted village park with walks along the beautiful Bluebell woods and surrounding countryside.
