The Location

The village of Duffield provides an excellent range of amenities including a varied selection of shops, post office, library, historic St Alkmund's Church and a selection of good restaurants. The village has excellent medical and educational facilities both at primary and secondary level (Ecclesbourne Secondary School). There is a regular bus service along the A6 between Derby and Belper. Also a regular train service into Derby City centre, which lies some 5 miles to the south of the village. Local recreational facilities within the village include squash, tennis, cricket, football and the noted Chevin Golf course.

A further point to note is that the Derwent Valley in which the village of Duffield nestles, is one of the few world heritage sites and is surrounded by beautiful countryside.

The famous market town of Ashbourne, known as the gateway to Dovedale and The Peak District National Park lies approximately 10 miles to the west. The thriving market town of Belper is situated 3 miles north of the village and provides a more comprehensive range of shops and leisure facilities.
