Summary

THE STOCK SHED - Designed by Matthew Montague Architects. Outstanding New Barn Conversion of High Quality, set in a peaceful rural location with beautiful views, yet only a short drive from Carsington Water, Kirk Ireton, Wirksworth, Ashbourne and Matlock.

Light and airy open plan living with vaulted ceilings, feature lighting and a Rais woodburning stove installed by locally renowned Robeys of Belper. The accommodation has been carefully zoned for modern day living using feature dividing walls and a central hexagon with spiral staircase leading to the mezzanine level. Three double bedrooms, two with bifold doors opening to the terrace. Main bedroom en-suite with wet room style shower with illuminated niche, illuminated cabinet, floating basin, back to the wall wc and heated towel radiator and further large family bathroom with oversized walk in wet room shower, end to end bath, 800 vanity unit, back to the wall wc, illuminated cabinet, illuminated niches to shower and bath and heated towel radiator. Both bathrooms are fully tiled with quality wall and contrasting on non slip floor tiles.

Stunning bespoke handmade spiral staircase made by British Spirals and Castings leading to the large mezzanine area surrounded by seamless glass balustrading. A large multi-functional space with superb views and providing access to the large full height storage room over the bedroom accommodation.

Fully fitted kitchen with quality appliances. Full height concealed fridge, full height concealed freezer, dishwasher to island, NEFF combination microwave oven, NEFF fan oven and NEFF downdraft induction hob. One and a half bowl white ceramic undermount sink with boiling water tap. Stunning granite worktops, space for wall mounted television, island seating for at least four people with separate area for full sized dining table.

Large utility/boot room with undermount sink, granite worktop, space for washing machine and tumble dryer and also good storage for larger items.

F&C

First Class Economy Home

Efficient design making it very economical to run. All lighting dimmable and energy efficient. Wet underfloor heating system using Ideal Logic Air source heat pump and unlimited private water supply.

The Location

The barn is set in a peaceful rural location within a small complex of converted farm buildings, surrounded by fields and mature trees, with lovely views.
