Summary

This impressive detached family home offers a perfect blend of modern living and convenience. Built in 2019, the property boasts a generous size of 1,158 square feet, providing ample space for family life.

One of the standout features of this property is its commitment to energy efficiency, highlighted by the high-efficiency solar panels installed in 2023, complete with a battery system. This not only contributes to a sustainable lifestyle but also enhances the home's EPC rating of A, making it an environmentally friendly choice.

The exterior of the property is equally impressive, with a generous garden plot that offers plenty of space for outdoor activities and family gatherings. Additionally, there is car parking available for three vehicles and a detached garage.

Situated in a popular development, this home enjoys easy access to the A38 road and the M1 motorway, making it an ideal location for commuters. With its modern amenities and prime location, this detached house is a wonderful opportunity for those seeking a family home in a vibrant community.
