Floorplan & EPC

| Energy Efficiency Rating | | |
|---|-------------------------|---|
| | Current | Potential |
| Very energy efficient - lower running costs | | |
| (92+) A | | |
| (81-91) B | | 87 |
| (69-80) C | 74 | |
| (55-68) D | | |
| (39-54) E | | |
| (21-38) F | | |
| (1-20) G | | |
| Not energy efficient - higher running costs | | |
| England, Scotland & Wales | EU Directive 2002/91/EC |  |

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

These particulars, together with photographs and floor plans are intended to give a fair description of the property, however they do not form any part of a contract. The vendors, their agents, Payton Jewell Caines and persons acting on their behalf do not give a warranty in relation to this property. All measurements are approximate and should not be relied upon. The floor plans are indicative only. Any appliances and/or services mentioned within these particulars have not been tested or verified by the agent. All negotiations should be conducted through Payton Jewell Caines. Please note - for leasehold properties there may be service charges/ground rents payable and you may wish to take this into consideration. Any information made available by Payton Jewell Caines in relation to these charges has been provided to us by the vendor and has not been verified by Payton Jewell Caines.
