DESCRIPTION

We are delighted to present to the market this beautifully converted, stone-built semi-detached barn, located in the highly desirable area of Eglwys Nunnydd. This unique home has been sympathetically refurbished to an superb standard throughout, combining charming character features with high-quality modern finishes. The property would make a wonderful family home for those seeking a balance of rural tranquillity and convenient access to local amenities. There are three generous living areas, all with an abundance of natural light from the bi-fold doors accessing all sides of the property. This really is a house you need to view!

Set within the picturesque semi-rural setting of Eglwys Nunnydd, the property benefits from close proximity to Margam Country Park, renowned for its historic castle, gardens and walking trails. Despite the peaceful surroundings, the home is only a short drive from Port Talbot town centre, offering a wide range of shops, schools, and leisure facilities. Excellent transport links, including the M4 motorway and Port Talbot Parkway railway station, provide easy access to the mainline rail network, making this an ideal location for commuters. The property is approached via gated access with off-road parking for multiple vehicles. To the rear is a private enclosed garden, laid mainly to lawn with a patio area perfect for outdoor dining and relaxation. The exterior retains its original stone character, blending beautifully with the immediate surroundings.

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92+) A		
(81-91) B		
(69-80) C		
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England, Scotland & Wales	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
