The room is tastefully decorated in neutral tones, featuring wooden-style flooring and crisp white walls.

Opposite the living room, you'll find a spacious study, perfectly suited for working from home. This flexible space could also serve as a playroom, downstairs bedroom or even a home gym, depending on your needs. Conveniently located in the centre of the ground floor is a well-placed WC, adding to the practicality of the layout.

Towards the rear of the property, adjoining the garden, is the expansive kitchen dining room. This impressive space, extending over 24 feet, is perfect for entertaining. The modern kitchen is equipped with wooden worktops, a gas hob, and an electric oven, making it both stylish and functional. Beyond the kitchen, the garden room offers an additional living area, currently set up to enjoy tranquil green views of the garden, providing a perfect retreat within the home.

Upstairs, you'll find four well-appointed bedrooms, each designed with comfort in mind. The principal bedroom features ample built-in storage and a generous ensuite, complete with a walk-in shower, low-level WC, and basin. Fitted to a high standard, the ensuite offers a luxurious touch to this relaxing retreat.

The three additional bedrooms are all of a good size and offer tranquil views over the garden, making them ideal for family members or guests. The spacious family bathroom is equally impressive, featuring both a shower and a freestanding bath, along with a low-level WC and basin. A unique highlight is the bath with a built-in TV—perfect for unwinding. This bathroom, like the rest of the home, has been newly refitted and decorated in a neutral, calming colour scheme.
