The Property

Situated in one of Lexden's most desirable addresses, this elegant townhouse offers an exceptional level of accommodation across three floors. Designed and constructed by a respected local developer, the home spans approximately 2,500 sq. ft. and blends classic proportions with modern finishes.

Inside, the spacious entrance hall sets the tone, leading to two reception rooms, one ideal as a sitting room with feature fireplace, the other perfect as a dining room or secondary living space. To the rear, a light-filled garden room provides a tranquil setting with views of the landscaped garden.

The bespoke kitchen, crafted to a high specification, is the true heart of the home. Finished with sleek surfaces, integrated appliances, and a practical layout, it has been designed for both family life and entertaining.

Upstairs, there are five generously sized bedrooms, including a principal suite with dressing area and en-suite, as well as a further en-suite bedroom and a family bathroom. A separate laundry room/kitchenette provides convenience for busy households.

The Outside

The property is set back from the road, approached via a front lawn, framed with railings. To the rear, the west facing garden is arranged with a paved terrace, mature standard trees, and well-established planting, offering a private space for relaxation or entertaining. Parking is well catered for with off-street parking and a double garage.

The Area

Lexden is one of Colchester's most sought-after neighbourhoods, prized for its blend of character, amenities, and schooling. The property is within easy reach of boutique shops, delis, and restaurants along Crouch Street, while Colchester city centre offers a full range of retail, cultural, and leisure facilities. Families benefit from access to some of the county's most highly regarded schools, including the Royal Grammar School and St Mary's School for Girls. Excellent transport links are close at hand, with Colchester's mainline station providing fast services to London Liverpool Street in under an hour, and the A12 offering convenient road connections.
