TITHBY ROAD, BINGHAM, NOTTINGHAMSHIRE NG13 8GP

A beautifully presented and very versatile detached family home built during the 1930s with plenty of style and quality materials throughout, with recent extensions and amendments with a leaning towards space, space & more space from the vaulted ceiling. The quality of materials used throughout is clearly indicated by the Crittall style windows used to match the original and curved glazing.

This prestigious property sits on a substantial plot that ensures everything you could wish for - a block paved driveway, ample parking on the gravelled area for numerous vehicles, set well back from Tithby Road to ensure peace and quiet from passing traffic and, more importantly, a perfectly proportioned rear garden with plenty of privacy as well as being west facing - perfect for the sun worshippers who enjoy al fresco dining during those balmy summer evenings or who enjoy lazy afternoons in the sunshine with a crossword in one hand and cup of tea or a glass of Merlot in the other.

The additional space provided by the recently extended open plan living & dining kitchen enhances the already spacious ground floor accommodation with a further lounge and separate home office for those who have experienced a change to their working habits over the last few years. For guest visitors or independent family members of any age, there is the luxury of a ground floor bedroom with en-suite shower room facilities.

To the first floor, a dog-leg staircase leads to the open landing with both linen cupboards and airing cupboard. The Master Bedroom includes fitted wardrobes and a wonderful boutique-hotel quality en-suite shower room, whilst Bedroom 2 is another double room that is served by a separate bathroom with a shower over the bath... whilst Bedroom 3 can easily be converted to two separate bedrooms, but is currently open with shelving and hanging creating the existing divide between the two areas. A further shower room provides washing facilities to this area of the house.

The property is situated on a delightful established plot with considerable frontage providing ample and private off-road car standing for numerous vehicles as well as an integral garage. To the rear of the property there is a substantial established garden with initial raised area of decking from the open plan living area for those who enjoy al fresco dining during those balmy summer evenings, a large area of lawn, well stocked borders with established trees and shrubs providing a high degree of privacy and a useful timber workshop / shed.

All of the windows at the front are double-glazed, powder-coated steel windows whilst all of windows at the rear are double-glazed, powder-coated aluminum windows (with the exception of the Utility/WC/Boiler area windows which are single glazed).
