

8 Stuart Street, Sutton in Ashfield NG17 5AQ

£129,950

A property with excellent potential for cosmetic refinement in order to add value offered at a fair and realistic price. Of immediate interest to the first time buyer/working couple with DIY skills.

- Garage at rear
- Large/extended dining kitchen
- Three excellent sized bedrooms
- Popular and convenient location
- Early viewing advised

DESCRIPTION AND SITUATION

The term "deceptive" is often over used in property sales but in the case of this particular home it certainly applies in its true sense. Whilst not immediately apparent from a mere passing glance, the property has the benefit of a single storey extension and this creates a really good sized dining kitchen. The property has a return frontage to Heathcote Court and this gives access to a good sized brick built garage in the rear gardens. Importantly, the property provides a much larger than average third bedroom and once a certain amount of refurbishment work is undertaken, this will be a lovely family home which will suit the growing household for many years to come.

The property has been generally well maintained by its owner. It is now ripe for profitable refinement to personal taste and gives the buyer the opportunity to create a home that meets their needs completely. It is offered at a very competitive price when due consideration is given to the values that refurbished properties of this calibre can be expected to command in today's market.

Stuart Street remains a popular, established residential location and is highly conveniently placed for easy access into the town centre with all of its facilities. It enjoys easy access to the main road network leading to the A38 which, in turn, leads to both Mansfield and Junction 28 of the M1 Motorway.

The property is now vacant. As such, early possession is readily available (subject only to formal completion of sale) since there will be no "chain" forming above. An early inspection is thoroughly recommended to avoid disappointment.

ACCOMMODATION

The main accommodation with approximate room sizes maybe more fully described as follows:

GROUND FLOOR:

ENTRANCE HALL

With staircase giving access to the first floor accommodation, door to the cellar that provides useful additional storage space. Archway giving access to:
