## DESCRIPTION AND SITUATION

The sale of this semi detached property will be of immediate interest to either the first time buyer looking for an affordable starter home or the prudent buy to let investor looking for a property with excellent potential for renting out.

The property is of monolithic concrete construction ("Wimpey No-Fines") beneath a pitched and hipped, tiled roof. It stands on a medium size, generally level plot with a forecourt that could be adapted to create off street parking if required.

The property provides a practical layout; on the ground floor, a lounge and separate dining room provide plenty of living space whilst at first floor level there are two double bedrooms and a good size single bedroom.

The property is generally well appointed although certain aspects of the internal specification are ripe for profitable refinement to personal taste which will add value. This has been more than adequately reflected in the competitive asking price when due consideration is given to the values that fully modernised properties within this development command.

The property is located in an area that is generally well served by schooling facilities. It gains good access into Mansfield town centre with all of its facilities. It is generally considered that there is high demand for rented accommodation in this area with rental demand outstripping supply.

The property is now vacant. As such, early possession is readily available (subject only to formal completion) and an early inspection is warmly recommended to avoid disappointment.
