£550,000

A well-presented Sussex style detached 4 double bedroom house with no onward chain and south/westerly rear garden.

Light and spacious this 1970's house has been extended to now provide a 19' dual aspect living room with patio door onto the rear garden. The house has a generous 16' dining room to the front with bay window. Whilst the kitchen/breakfast room measures 13' long with an outlook over the garden and side door onto potentially a kitchen garden with seating area. A downstairs cloakroom/wc completes the ground floor accommodation. Upstairs you have all 4 double bedrooms with ensuite shower/wc to the master and a family bathroom.

The rear L-shaped garden is private with established hedge boundaries. Predominately laid to lawn, a patio wraps around 2 elevations of the property with several seating areas. There are established bedded areas, currently with flowers, between the kitchen side entrance and greenhouse. There is rear access into the garage and a secure side access to the front. To the front is a block brick drive for several vehicles that leads to the house and the integral garage, whilst a block brick path continues around the property to a side gate.
