£290,000

With a westerly and private rear garden this 2 double bedroom semi - detached bungalow has huge potential. There is opportunity to extend to the side, the rear and/or into the roof – as many neighbouring properties have. The property itself comprises of: living/dining room to the front with fireplace; kitchen is to the rear with newly fitted units and views over the garden; a small conservatory leads off the kitchen and gives access to the garden; bedroom 2 is also to the front and has a bay window; bedroom 1 is to the rear with views over the garden; completing the accommodation is the bathroom located to the side.

Outside, the rear garden is predominately lawn. A single garage with power and driveway for several vehicles sits to the side. Whilst the front garden is again mainly laid to lawn.

Please note that the owners have architectural plans to extend to rear (single storey) and into the roof. Both would need the relevant planning and building regulations.

Deal Avenue is located off Hastings Avenue. Attractively positioned, close to The South Downs National Park, recreational park and a local shop/post office - all located within less than half of a mile. Seaford town centre offers a wide range of shopping facilities, cafes, restaurants and public houses. The property is in close proximity to main and local bus routes and there are rail links to Gatwick Airport and London Victoria from Seaford railway station. Seaford itself is enclosed by the South Downs National Park and enjoys one and a half miles of uncommercialised seafront.
