The key feature to this semi-detached bungalow is the panoramic sea and harbour views, enhanced by a slightly elevated position – also giving the property a high degree of privacy. The bungalow itself is well presented throughout and is offered to the market with no onward chain.

The bungalow has a triple aspect living/dining room affording plenty of light to the room with windows taking full advantage of the views towards the sea. The modest and modern kitchen has pleasant views as well as access onto the rear garden. Both bedrooms 1 and 3 have superb views towards the sea and Newhaven Harbour. Bedroom 1 has a bay window, whilst bedroom 3 has been utilized as an office/study.

A delightful flower/shrub garden to the front has steps leading up to the bungalow. Whilst to the rear, the garden has been lovingly tended with established beds, a fenced vegetable garden,

a patio area, secure side access as well as a secure rear gate to the drive/hardstanding and garage (which has power, car charging point and battery for the solar panels).

Please note that the 28 photovoltaic solar panels to the front of the bungalow are owned outright.

Situated in the sought after Bishopstone area, Hurdis Road lies within two miles of Seaford Town Centre and half a mile from Bishopstone railway station (with services to London Victoria via Lewes) and the beach. A local bus route gives ease of access to the town centre. Seaford has a railway station, comprehensive shopping and medical facilities, two golf clubs and downland walks. There is a long uncommercialised seafront esplanade and beach, with sailing club. Bus services are available to Brighton, Eastbourne and surrounding villages.
