£425,000

Entering the house via a covered porch, a short flight of steps lead to the 19' living room situated to the front, with views over the Brickfield Nature Reserve and towards the sea. The kitchen/dining room is directly behind the living room with a dual aspect onto the garden. A short hall runs between the kitchen and living room, with area for utilities, a downstairs cloakroom/wc and a hall cupboard. Upstairs you will find the 3 bedrooms, all with fitted cupboards/wardrobes. Bedrooms 1 and 3 enjoy views to the sea. The family bathroom is also found on this floor. The property has been well maintained but is dated in areas.

The rear garden is private and wraps around the side with a substantial raised patio to the far corner allowing views towards the sea. There are also 2 lawn areas, slate beds and path leading to a secure side access to the front. You approach the property over a block brick drive with hard standing for several vehicles, whilst a rock garden and small lawn sit to the side. The double garage is beneath the property with an electric up/over door, inspection pit, power and lighting.

Buckle Drive is approximately half a mile from Bishopstone Station and one mile from Seaford town centre, whilst the beach is under 200metres from the property. Seaford is situated between the South Downs National Park and the English Channel and offers a wide range of shops, an uncommercialised seafront promenade, regular bus services to Eastbourne and Brighton along the A259 coastal road and rail links to London Victoria and Brighton.
