DEVELOPMENT OPPORTUNITY TO
CONSTRUCT NEW DWELLING AS WELL
AS EXTEND EXISTING.

A RARE AND EXCITING OPPORTUNITY HAS ARISEN TO PURCHASE A SUBSTANTIAL THREE/FOUR BEDROOM DETACHED BUNGALOW SITUATED ON A GARDEN PLOT OF JUST OVER A THIRD OF AN ACRE

Located within Shipley, a small South-East Derbyshire village, lying between the larger towns of Ilkeston and Heanor, and noted for Shipley Country Park. The position of the property being elevated to the front and dropping away to the rear allows for far reaching views over surrounding countryside to the rear.

The bungalow is in very much livable condition, although a certain degree of modernisation is required. The accommodation currently comprises entrance porch to large central hallway, front reception room (which could be a fourth bedroom), three double bedrooms, bathroom and shower room facilities. To the rear of the property is a large family dining kitchen with access to a separate utility and a sitting room which enjoys rear aspects.

Set back from the road with driveway, parking and garage. There is an enclosed garden to the far side of the garage and the main gardens are located to the rear and tiered with the rear boundary backing onto paddocks and open fields.

The current owner has previously applied and had granted, although now lapsed OUTLINE PLANNING CONSENT GRANTED TO CONSTRUCT A NEW DWELLING IN THE GROUNDS AS WELL AS PLANNING PERMISSION TO EXTEND AND RE-DEVELOP THE BUNGALOW INTO A MODERN CONTEMPORARY FOUR BEDROOM TWO STOREY PROPERTY.

This therefore offers potential, subject to renewed planning a fantastic opportunity for property developers, as well as those looking to build their own "Grand Design" and possibly where two families are looking to join forces and live side by side. Alternatively, a buyer may wish to simply modernise, extend and enjoy the existing property on a superb third acre garden plot with enviable views.
