GUIDE PRICE - £475,000 - £500,000.

Robert Ellis are delighted to bring to the market for the first ever time since construction in the mid 1960's, this individually designed and built three bedroom detached bungalow is situated within this popular and established village location.

With single level accommodation, comprising a side entrance lobby, utility room, w.c., L shaped conservatory, breakfast kitchen, lounge/diner, inner hallway, entrance porch, three bedrooms, bathroom and separate second w.c.

Other benefits to the property include gas fired central heating, double glazing, off street parking to the rear and generous front and rear gardens.

The property has been specifically designed in such a way that the internal rooms could be adjusted without affecting the roof structure, however, its current spacious layout, offering three bedrooms and separate living space would suit that of a variety of different buying types, from those looking to acquire a property on one level, however, have the space of what you would expect within a detached house.

As previously mentioned the property benefits from off street parking which can be found to the rear of the property, utilising the shared drive just off Cossall Road to which there is gated entrance to the rear of the property.

The property's location provides easy access to the nearby shops and services that Ilkeston has to offer, there is also easy access to the Guiltbrook retail park incorporating Ikea, Next and other selection of shops and services, there is also easy access to nearby schooling, open countryside and transport links including the Ilkeston train station.

The property would certainly suit that of a variety of different buyers and we would highly encourage an internal viewing to fully appreciate the size overall.
