ROBERT ELLIS HAVE GREAT PLEASURE IN BRINGING TO THE MARKET THIS NEARLY NEW PEVERIL HOMES CONSTRUCTED FIVE DOUBLE BEDROOM, TWO BATHROOM, THREE TOILET DOUBLE BAY FRONTED DETACHED FAMILY HOUSE SITUATED ON THE OUTSKIRTS OF THIS POPULAR VILLAGE LOCATION.

'The Shardlow' is the largest design type on the development offering 164sqm (1765sqft) of internal space and comes with accommodation over two floors comprising a welcoming entrance hallway, ground floor WC, spacious front to back lounge with bay window, separate bay fronted dining room, open plan family dining kitchen and utility room to the ground floor. The first floor landing then provides access to five double bedrooms, en-suite facilities to the principal bedroom and additional family bathroom suite.

The property also benefits from gas fired central heating, double glazing, enclosed garden, four car block paved driveway and detached double garage with electrically operated garage door.

The property offers easy access to nearby road networks and motorway junctions, as well as nearby conveniences, amenities, facilities, schooling and access to open countryside all but a short distance away from the property.

Due to the overall size of accommodation, we believe that the property would make an ideal long term family home and we highly recommend an internal viewing.
