A SIGNIFICANT PROGRAMME OF
MODERNISATION AND IMPROVEMENT IN
2021

HAVING UNDERGONE A SIGNIFICANT PROGRAMME OF MODERNISATION AND IMPROVEMENT, IN 2021, THIS INCREDIBLY DECEPTIVE THREE BEDROOM TERRACED HOUSE COMES TO THE MARKET IS READY FOR IMMEDIATE OCCUPATION.

In 2021 the property was rewired, re-plumbed and taken back to brick internally and then replastered to provide for a contemporary internal space with gas fired central heating served from a combination boiler.

Lounge, open plan dining kitchen with a high quality fitted range of units and built-in appliances. There is a useful cloakroom/w.c. To the first floor the landing provides access to a most impressive luxurious four piece bathroom suite with slipper bath, pillar taps and wet room style shower area.

There are two double bedrooms to the first floor, with a professionally converted attic bedroom to the second, with dormer window offering far reaching views over the surrounding area. This bedroom would also make a fantastic home office or chill-out space.

Externally the house has been clad in contemporary coloured monocouche render to the front and rear with UPVC double glazing installed in 2021. The rear garden is landscaped with contemporary paving and backs onto open fields.

The property boasts views over open fields to both the rear and across the road at the front and there is also communal off-street residents parking.
