A THREE BEDROOM SEMI DETACHED  
HOME.

**Offers Over £220,000 Freehold**

Behind this traditional facade lies a modern and contemporary three bedroom semi detached home.

Offering a stylish and modern interior which has been sympathetically designed to retain the character of this original 1920's property, whilst offering up to date living accommodation. The property is double glazed and gas fired central heating is served from a combination boiler (installed approximately 1 year ago).

Upon opening the front door, you enter into a welcoming hallway to staircase and door leading through to the living room. The dining kitchen is a bespoke range of fitted units with recessed electric oven and five ring gas hob (great for those who enjoy cooking). There is room for dining and entertaining with a fixed bench style seat. There is a useful separate utility room and cloakroom/WC.

The first floor landing provides access to the three bedrooms, as well as a modern shower room/WC.

Situated in this popular residential suburb, the property enjoys an attractive landscaped rear garden which include a decked area (great for al fresco dining) and a contemporary waterfall. Located within walking distance of the local shops and facilities in Stapleford town centre, as well as being ideally situated for those looking to commute as good road networks link to the larger nearby town of Beeston, Nottingham University, QMC, Nottingham city centre and Derby to the West, as well as Junction 25 of the M1 motorway.

This property will make an ideal first time purchase with room to expand into a family home and with three bedrooms the property is also great for those looking to work from home.
