@robertellisea

We have great pleasure in offering for sale this Victorian four bedroom detached family home with accommodation over three floors.

Situated in an elevated position, this instantly attractive and imposing period property comes to the market in a ready to move into condition with an eclectic mix of original features complemented by modern living. This double fronted property has a welcoming hallway, giving access to the two front reception rooms (one used as a living room and the second a sitting room). There is a generous, modern fitted kitchen with a range-style cooker and doors leading to a conservatory (currently used as a dining room) and has aspect over the rear garden. There is also a useful cloaks/WC to the ground floor.

A dog-leg staircase leads you to a spacious landing area. This, in turn, gives access to three of the bedrooms and family bathroom. A staircase from the landing leads to the second floor where there is a large principal bedroom suite which includes an en-suite shower facility.

The property enjoys a particularly good sized and tiered garden with a number of themed areas including patio and decked areas for alfresco dining with space for a hot tub. There is also an attractive gazebo to shelter during the British summertime.

This property is situated on a quiet, residential street, conveniently located within walking distance of schools for all ages, including a leisure centre, a good variety of shops and facilities in the town of Heanor and neighbouring towns, as well as good transport links with a train station in the nearby town of Langley Mill. There are good road networks linking the nearby cities of Nottingham and Derby, as well as the M1 motorway for further afield.

This characterful property is absolutely ideal for growing families and must be viewed to be appreciated.

ENTRANCE HALL

Double glazed front entrance door, a welcoming and spacious entrance hall with radiator, dog-leg staircase leading to the first floor. Doors to:

LIVING ROOM

13'5" x 11'4" (4.09 x 3.47)
