

Ellesmere Drive
Trowell, Nottingham NG9 3PH

A FOUR BEDROOM DETACHED FAMILY HOME.

Offers Over £425,000 Freehold

We have great pleasure in offering for sale this extended four bedroom detached family home situated in an enviable position within this small cul de sac.

What you cannot appreciate from the front elevation is this property enjoys fantastic uninterrupted views over fields to the rear, giving the illusion of seclusion and living in the countryside. Far from being isolated, the property sits on the outskirts of the well regarded urban village of Trowell. Trowell has its own primary school and a great community feel, with good road networks and easy accessibility to the larger towns of Stapleford, Ilkeston and Beeston where shops and facilities can be found. Nottingham city is within easy reach, as is Junction 25 or 26 of the M1 motorway for those looking to travel further afield.

Extended from its original form and re-modelled by the current owners, to give spacious and adaptable living accommodation, great for growing families. With an air of open space to the ground floor, the generous entrance hall leads through to a living room with an attractive exposed brick chimney breast and inset cast iron log burner. This feature offers a divide between the living room and leads through to the dining area which then opens through to a modern, contemporary fitted kitchen with built-in appliances. There is also a useful modern shower room/WC to the ground floor, great for busy families, and a recently constructed double glazed conservatory beyond the dining room where the occupants can while away the hours with views over the garden and fields beyond which changes over the seasons.

Rising to the first floor, the landing provides access to four well proportioned bedrooms, one of the doubles is currently used as a second sitting room, and a family bathroom completes the accommodation.

The property is centrally heated and double glazed throughout. A forecourt provides ample off-street parking and leads to an integral garage. The beautifully presented rear gardens are attractively landscaped with lawns, colourful bedding, block paved patio and gazebo.

This superb family property must really be viewed to appreciate the accommodation on offer and the rear aspects over countryside.
