Sandiacre, Nottingham NG10 5GS

A TWO BEDROOM DETACHED
BUNGALOW.

£220,000 Freehold

A two double bedroom detached bungalow situated on a corner plot in a popular residential suburb.

This property sits on a generous corner garden plot and whilst in an elevated position, has level access from the front. The property is set back from the road which provides for a driveway for parking for four vehicles in tandem. There are grounds and gardens to all sides of the property, with the rear boasting far reaching views over the surrounding area.

The property comes to the market with NO UPWARD CHAIN and has the benefit of double glazing and is currently electrically heated with night storage heaters, although gas is also supplied to the property with a gas fire to the living room.

The property is in a very much livable condition but would benefit from some modernisation and improvement, therefore offering great potential for the incoming buyer to put their own mark upon it.

Situated in a cul de sac of bungalows within this established and highly regarded residential suburb, close to local amenities that Sandiacre has to offer, including a dentist, doctors, regular bus service linking Nottingham and Derby. The town centre itself has a number of independent retailers, as well as a Co-Op and Lidl. For those looking to travel, the A52 and Junction 25 of the M1 motorway are a short drive away. There is a train station in the nearby larger market town of Long Eaton.

Viewing is recommended to appreciate the potential on offer.
