@robertellisea

A traditional terraced house with three bedroom and two reception rooms, offered for sale with NO CHAIN.

The property benefits from gas fired central heating served from a relatively modern combination boiler and double glazed windows throughout. However, the property does require some cosmetic improvement and is reflected in the asking price. This property therefore offers fantastic potential, in particular to first time buyers to put their own mark upon it and make it into a great home.

Situated in this traditional residential street, amongst other similar properties, conveniently placed in Langley Mill, a short walk to the train station. This up and coming area has useful facilities, including Asda, Lidl, as well as a number of other retailers and services, and is a short drive from the A610 which gives direct access to Nottingham city centre and Junction 26 of the M1 motorway, as well as Derbyshire to the North.

The property comprises lounge, separate dining room, fitted kitchen, ground floor bathroom. To the first floor, the property has the benefit of a 50% flying freehold which gives more than expected accommodation, with landing and three bedrooms. To the rear is a yard and garden area.

Offered for sale with NO CHAIN, viewing is recommended to appreciate the potential on offer.
