Situated in this highly desirable cul de sac within the heart of Sandiacre is this traditional three bedroom detached house.

Enjoying larger than average rear gardens which offer a good degree of privacy and ample off-street parking to the front, this property comes to the market with NO UPWARD CHAIN.

The property benefits from a new roof in recent times, as well as gas fired central heating served from a combination boiler and majority double glazed. Very much in livable condition, this property offers fantastic potential to possibly extend (subject to the necessary permissions) and update to make a great long term family home.

The accommodation comprises entrance porch, hallway, lounge, separate dining room and fitted kitchen to the ground floor. Also on the ground floor is a two piece bathroom and separate WC. To the first floor, the landing provides access to three bedrooms, the principal with en-suite cloaks/WC.

Located within the original village of Sandiacre before it became a small town many years ago, the property is ideally positioned for both families and commuters alike. Schools for all ages are within walking distance, as is a useful convenience store and regular bus service. For those who enjoy the outdoors, Stoney Clouds Nature Reserve is a short walk away. Within a few minutes drive is the A52, giving direct access to Nottingham, Derby and Junction 25 of the M1 motorway for further afield.
