£370,000 Freehold

A TRADITIONAL BAY FRONTED THREE BEDROOM DETACHED HOUSE POSITIONED ON A LARGE PLOT PROVIDING THE OPPORTUNITY TO CREATE A DREAM HOME WITH MATURE GARDENS TO THE REAR.

Being located on the service road which runs alongside Wilsthorpe Road, this traditional three bedroom detached house provides the potential for a new owner to stamp their own mark on their next home. For the size of the accommodation and the privacy of the large rear garden to be appreciated, we recommend that interested parties do take a full inspection so they can see all that is included in the property for themselves. The property is being sold with the benefit of NO UPWARD CHAIN and is therefore ready for immediate occupation while new owners decide what they would like to do to the property so it matches their preferred requirements.

The property is constructed of brick to the external elevations under a pitched tiled roof and the accommodation derives the benefits of having gas central heating with a relatively new boiler having been installed and double glazing. The house is entered through an open porch into the reception hall which has a door leading to the through lounge which was originally two rooms and could be divided back into two rooms if this was preferred, the kitchen has wall and base units, there is a rear hall, ground floor w.c. and an additional room which could be an office/study or further bedroom if this was required. To the first floor the landing leads to the three bedrooms and the fully tiled bathroom which has a light coloured suite and a shower over the bath. Outside there is a fully enclosed car port/garage to the right hand side of the house, a block paved drive and garden at the front and a large private rear garden which has a patio leading onto a lawned garden which has mature and well planted beds to the sides and is kept private by having natural screening and fencing to the boundaries.

The property is positioned in an ideal location which offers easy access to the excellent local schools provided by Long Eaton, the town centre is only a short drive away where there are Asda, Tesco, Aldi and Lidl stores as well as many other retail outlets, there are healthcare and sports facilities which includes the West Park Leisure Centre which is a few minutes walk away from the house and West Park is entered through a gate next to the house and this provides a lovely place to walk and the excellent transport links include J25 of the M1 which again is only a few minutes drive away, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
