Robert Ellis are delighted to market this interesting two double bedroom home which we feel will suit a whole range of buyers, from people looking to buy their first property in walking distance of the centre of Draycott or alternatively rent out. The property has many individual features from when it was originally a Mill building and includes a vaulted ceiling in the main open plan living space at the first floor level and feature cast iron glazed windows to both the front and rear. For the size and layout of the accommodation to be appreciated, we recommend that interested parties do take a full inspection so they are able to see all that is included in this lovely home for themselves. Draycott is an award winning village with a number of local amenities and facilities with further shops being found in the nearby villages of Breaston and Borrowwash as well as Long Eaton which is only a few minutes drive away.

The property is entered through a communal reception hall which serves just two properties and the front door to the property we are selling takes you into a reception hall, from which there are stairs leading to the living accommodation at the first floor level and doors into the two double bedrooms, the main bedroom having a mezzanine area with ladders up to it and the fully tiled shower room which includes a mains flow shower system. The open plan living space includes a lounge/sitting and dining areas and the kitchen is fitted with wall and base units and includes several appliances which will remain at the property when it is sold. The mill building was converted approximately 20 years ago by a well known local developer who created nine homes within the original mill building. Outside there is parking space in the courtyard car park which is positioned to the left of the mill building and there is also on the road parking to the front of the property.

There are number of local shops in Draycott and these are only a couple of minutes walk away from the property, there are Co-op stores in both the villages of Breaston and Borrowwash and main supermarkets in Long Eaton where there are Aldi, Tesco and Asda stores as well as many other retail outlets, if required there are schools for older children in Long Eaton and Sandiacre, there are healthcare and sports facilities, walks in the surrounding picturesque countryside and the excellent transport links include J25 of the M1, East Midlands Airport, stations at Long Eaton and East Midlands Parkway and the A52 and other main roads provide good access to Nottingham, Derby and other East Midlands towns and cities.
