

Sawley Road, Draycott, Derbyshire **DE72 3QF** 

£1,000,000 Freehold

THIS IS A SUBSTANTIAL DOUBLE FRONTED FARMHOUSE PROVIDING FIVE BEDROOMS AND SPACIOUS GROUND FLOOR LIVING ACCOMMODATION WITH THE ADJOINING OUTBUILDINGS BEING OCCUPIED BY AN ESTABLISHED PRECISION ENGINEERING BUSINESS.

Robert Ellis are pleased to be instructed to market this mixed use property which includes a large farmhouse and outbuildings that are used by an established engineering business. The house is currently vacant and does require certain updating works but is ready to move into and the outbuildings are let to an established Engineering business – for which details of the rent paid and lease can be provided. The whole property is set in approx. 2.5 acres of land with there being parking for between 20-30 vehicles on the land adjacent to the Engineering business. The main house is currently vacant and is being sold with the benefit of NO UPWARD CHAIN and if prospective buyers are interested in occupying the farmhouse as a home and having an adjoining building as an investment or at a later stage for their own use, we would be pleased to arrange a viewing.

The farmhouse is constructed of brick to the external elevations under a pitched tiled roof and has been extended to incorporate buildings at the rear of the main house so they become part of the property. Benefiting from central heating and some double glazing, the accommodation includes an enclosed porch, a spacious hall, a through lounge, separate dining room, breakfast room, kitchen, two conservatories, one of which connects to a utility/laundry room, a rear hall with a ground floor w.c. off and stairs to the first floor. The main landing leads to three double bedrooms, the main bathroom and further rooms which can be bedrooms or used for something else. There is also a staircase from the reception hall to a further room which could be a bedroom or office/sewing room and on the second floor the landing leads to two further double bedrooms. The property is entered from Sawley Road through double gates to a courtyard, off which there are several outbuildings including three garages with the main gardens being at the front of the house and these are mainly lawned, there is a pond with the gardens are Southerly facing.

The Engineering works have a separate gated access from Sawley Road with there being car parking for up to 30 vehicles. The main works include a production area which is approx. 2,200 sq.ft. In size with there being an adjoining design office and a laboratory/testing area. There is also a reception area leading to four offices, hall with male and female w.c.'s, a packing area and to the first floor there are two large storage rooms. At the rear of the main building there are eight workshops which have an adjoining building at the rear, parking for up to 30 vehicles and various outside storage areas.

Sawley Grange Farm is situated between Sawley and Draycott and is therefore well placed for easy access to excellent transport tlinks which include junctions 24 and 25 of the M1 which connect to the A50 and A42, East Midlands Airport, stations at Long Eaton an East Midlands Parkway, shopping facilities are provided at nearby Long Eaton, Pride Park and Derby and for homeowners with families there are schools for younger children at Sawley and for older children at Long Eaton and Sandiacre.
