An internal viewing is highly recommended to appreciate the property and location on offer.

In brief, the property comprises an entrance hallway through a composite door leading to a lounge with feature log burner and sash windows, and open plan kitchen/dining/living room with French doors out into the garden and integrated kitchen appliances. There is also a convenient utility room and downstairs shower room to the ground floor accessed off of the kitchen/diner/living room. To the first floor, the airy landing leads to a large five piece family bathroom, bedroom three overlooking the rear and master bedroom overlooking the front benefiting from fitted wardrobes. To the exterior, the property benefits off street parking for two vehicles to the front via a block paved driveway with an electric vehicle charging point and access into the garage/storage space through double doors. To the rear there is an enclosed and private, low maintenance garden with a patio area, artificial turf and exterior garden/gym room complete with storage to one side and useful space to the other. This space is complete with bi-folding doors, power and lighting and would make a fantastic home gym or home office.

Located in the popular residential village of Draycott, close to a wide range of local schools, parks, farm shops and other amenities. The property is within a 10 minute drive from Long Eaton town centre where further shops, supermarkets and healthcare facilities can be found.
